“Posterity! You will never know how much it cost the present Generation to pre-serve your Freedom! I hope you will make good use of it. If you do not, I shall repent in Heaven, that I ever took half the Pains to preserve it.” – John Adams

Are you tired of talk, talk, talk – around the issues?

Then get ready for the revolution with The Sons of Liberty! Bradlee Dean delivers a hard-hitting message of truth, exposing unconstitutional policy through constitutional law. He is educating and equipping America with the knowledge of what our nation was truly founded upon – “The Bible is the Rock upon which our republic rests.” The Sons of Liberty not only talk about the issues at hand, but lead by example with the ministry, You Can Run But You Cannot Hide International. The right time to do the right thing is right now!

Bradlee Dean is the show host for The Sons of Liberty. He is also the founder and executive director of the non-profit ministry, You Can Run But You Cannot Hide International, that has reached over 500,000 youth with a message of truth and hope in over 340 high schools and colleges across the country. Bradlee was recently debuted on FOX News as a part of a radio extraordinaire guest panel on Fox and Friends, was featured in the New York Times and MSNBC, has been highlighted as a top story in various news outlets across the nation, including The Blaze, The Drudge Report, The Weekly Standard out of Washington, D.C., and also many local newspapers, television, and radio stations across the nation.

Bradlee Dean is also drummer for the second-best unsigned band in the nation called Junkyard Prophet, whose music videos have reached 111 million households four times over internationally and debuted on JCTV as 3rd in the United States. He is endorsed by world-class musical companies such as Sonor, Buttckickers, Beatnik (including his own signature drum pad), Hornet Drumsticks (including his own signature sticks), and Soultone Cymbals.

Bradlee Dean is a weekly columnist for WorldNetDaily as well as 35 other news outlets. He is ordained as a minister both nationally and internationally, and is a graduate of the Institution on the Constitution. And even after all this, Bradlee’s most rewarding title and position is serving as husband and “Daddy”.
